# St. MARY'S CHURCH

## ABBOTTS ANN

To find a memorial in the PCC part of the Burial Ground at St. Mary's Church.

1. Look in the index and locate the name of the person whose grave you are looking for.
2. Make a note of:
  - a. The area
  - b. The Row and Grave Number.

For example:

SURNAME	CHRISTIAN NAME (S)	YEAR OF BURIAL	AREA	ROW/ GRAVE No.
LANFEAR	Arthur William	1918	East	Row 12/17

3. Now go to the Map Section Index [Section 3 of this folder] to locate the position of the Grave / Memorial. In this example it is the East Area, Row 12, Grave No. 17.
4. Have a look at the Survey form, for the grave that you are interested in, so that you can recognise the memorial when you see it. For example, the Survey form for the 'Lanfear' grave is in Folder No. 3.

### NOTES.

1. Any year highlighted in 'Green' indicates that the person is not mentioned in the Church Burial Records and may, therefore, be buried elsewhere, or their ashes may have been scattered on, or interred in, the grave.
2. It is not known where those whose memorials are located in the church, or on the outside north wall of the church, are buried. A double entry indicates that the person is buried in this churchyard if the grave number is shown.
